Lisa joined the Desert Voices team in August 2022, after moving from San Diego to Chandler to be closer to her daughter's family. For over 22 years, she has taught deaf and hard-of-hearing students from preschool to middle school. Her passion is working with preschoolers and their families. Lisa is hard-of-hearing and was raised oral and understands firsthand the benefits of early intervention and strong family support to generate an atmosphere of success.

Lisa has been married for over thirty years and has two grown daughters and one grandson. In her free time, she loves going for walks with her husband and little dog, Lucy and trying out different Mexican restaurants. She is also looking forward to getting more involved with the church.
